This fraudulent misrepresentation

They never even heard of KNOX Mr. Evans
Before in their life until Evans
Contacted them with A plot or scheme
Born out of pathological jealousy
fueled by Her father Doris
Trump and on-again, off again

husband Jared Kushner who added
 on the end of Kushner =
 Kushners to avoid detection in
 his own SST and Stimulus
 checks frauds he perpetrates on
 thousands on an internet site
 he told Ivanka about on
 knows email! Which the entire
 "New World Order Mob" uses to
 avoid detection along with the
 Mormon Tabernacle Choir phone
 number.

These entertainers not only embezzled
 from KABC, A United States
 citizen in good standing,
 they ended up hiring hit men
 for KABC to kill her so that
 later on they wouldn't be
 sued and lose not only the
 money — but their reputations
 as well.

Karol has no idea ~~exactly~~ what
 Ivanka told them in order to
 undermine Karol but Karol is
 sure that none of them are
 Pro Christian and/or Pro Israel
 so even if they weren't told that
 Ivanka was in a world wide
 scheme to devalue the Dinar,
 destroy Afghanistan with
 counterfeit money, duping the
 Taliban while loading them up
 with American weaponry, guns
 and over the border to
 Communist Taliban Russians
 and Ivankas selling of tanks
 to Afghanistan, they had to have
 been told something as
 entangling is an intentional
 knowing act in violation of
 18 USC 872 & 874

There was False Representation
 on Ivankas part who is
 driven by Greed and jealousy
 since she was starved from
 stealing Karol's judgment fund

Hundreds of times by forging
KAROL'S signature.

The misrepresentation had to be
in relation to a specific fact

LIVANIA knew THAT her statements were
false and so did these
entertainers as there was a lack
of reasonable grounds to know or
believe that it was true.

They had to know that what Carol
said was true was a lie because
Livania had no grounds to say
anything at all about know or
her daughters as she never
met any of them - therefore
her grounds to lie about
'strangers' was born out of
a jealous, pathological
greed to become a filthy rich
dictator in the new world
order she intended to
finish.

The judges and justices

WHO AIDED AND ABETTED THIS
 NEW WORLD ORDER PLOT TO TAKE

 Vladimir Putin ARE LIABLE
 FOR HER SENTENCE AS THEY
 KNOWINGLY LET HER GO ON
 COUNTLESS FELONIES INCLUDING TREASON

 EVANLAX MAY HAVE PROMISED

 WHATEVER THE CASE

After Know Reported them to
 Homeland Security Civil Rights
 Division they Refused by
 hiring hit men to get rid of
 the threat of a Law suit and
 the obvious Destruction of
 their REPUTATIONS — especially
 those who PRETEND they're
 Christians ...

Allec Baldwin went on to fly to
 Phoenix AZ and stalk Know
 on the late Rail — twice that she
 stalk him — once he sat directly
 across from her as if to say
 "you will pay if you sue
 me" ...

He probably stalked Know
 elsewhere as well as he was
 in Phoenix several weeks.

Adelle hoped if hit men that
 Know turned into to Homeland
 Security.

KETH URBANE hired a hit man that
KAROL turned in.

Kate Middleton in England
embodied as well for Imbes

Vows to this New World
Order as she too wants to
be a Super Power in the New
World order - so much so that
she allegedly hired 2

By Homeland Security.

Sandra Bullock hired a hit man

Claim:

All of these thugs are racketeering together to prevent Kamal from trading her daughters that they are conspired to kill numerous occasions, in retaliation because she refused to give them her suits

Pelosi and Trump decided they would kill Kamal's daughters in Brothers when Trump is bribing Drs, hospitals clinics not to prescribe Alzheimers meds & other life saving medication for illnesses caused by Trump/BRN, (BRNack & malia) Joe Biden, AOC, FASHED TRUMP, VP Harris, and others known to Homeland Security's Witness Protection Team under their Civil Rights Division!

All the thugs want is Kamal's suits and judgment fund and they're overthrowing the USA with her money

They have each hired numerous
 thugs and felons to bludgeon
 KAROL's daughters heads in
 and KAROL has turned in as many as
 she can, but it now appears that
 Ivanka, Trump and the OBAMA
 mob family hired the entire CASS
 homeless shelter like they did
 in LAS VEGAS at the courtyard
 shelter. CASS was allegedly
 cleaned up but on KAROL's return,
 thugs hired by Ivanka are
 pouring into CASS from LAS VEGAS
 hovering over KAROL.

There are 2 Somalis/
 Africans hired allegedly by Elon Musk.
 KAROL's "friends" Barry, Mark,
 Patrick, Richard Herdine, Richard's 2 friends
 Gary & Blackman who has an apt on
 KAROL's judgment fund 5000 money —
 Jeff & Laura Stok (Ivanka)
 are hired by Donald Trump.

Kana believes its Retaliation
 Because SHE REPORTED GARY
 MAGISTRELLI on April 15, 2009 and
 his bribes and money laundering
 scheme, and Because the 19B
 Judicial Ct Judges in
 Winnegon IL whom she reported
 their illegal INC. = EQUITY
 REAL ESTATE Consultants Inc
 (name changes yearly) which breaches
 into women's homes, tampers
 with their COURT records and
 makes them appear crazy
 so the judges can more easily
 switch custody to Pedophiles,
 Drug addicts, alcoholics
 Batterers etc As the Judges get
 an illegal KICKBACK from
 all Fatherhood Funding
 the twin child of Barack OBAMA!

The states then get more illegal
 Federal funding from the
 "Fatherhood Funds"
 All Council of Responsible Fathers"
 like Gary a pedophile convicted
 in 1991, Brescia Italy,
 Brussels Belgium, Geneva,
 Switzerland and Gary also
 snorts cocaine with Trump Sr, Dimola
 Janel Kishner who is to say
 hiding KANOL's daughters
 from KANOL in the Daily
 Disconnection against
 KANOL Magistrelli & her
 daughters.

Francy Pelosi started
 ordering Police in the mid 90s to
 put KANOL's daughters in Prisons
 which Trump had already been
 doing! Once KANOL found
 Rachel at the Western air/sea
 35th Street but she was afraid
 to leave! Trump had her on heroin.

Both of knows daughters are mentally compromised due to the many severe bludgeoning of their heads with 2x4s, baseball bats, whips, sticks, bricks that these Police in Mesa, Chandler, Phoenix Tempe, laid out for the Bludgeoners to use on knows daughters and the FBI witness protection team helped the Police & Bludgeoners especially in Chandler!

Today Rebekah is back in a Brothel owned by Nancy Pelosi who has hundreds in AZ, CA, NV & she has regularly ordered Police in these states to kidnap knows daughters dumping them over state lines a violation of CA Penal code Section 261.5 2800.1, 2800.2 or 2800.3 and 18 USC 2261 - stalking across state lines, 1201 Kidnapping, & Indentured Servitude & Peonage!

They're never going to stop the
 fraudulent concealment because
 Congress conspired with
 Barack Obama, the USDOJ attorneys,
 50 governors, 50 Attorney Generals
 numerous whole Police
 jurisdictions, hundreds of
 mentally ill similar Trump + Obama
 here right from prison or
 mental hospitals, dozens from
 Community Bridges which gets
 funding for the mentally ill + drug
 addicted - only to throw them
 back out on the streets in 23!
 This has been going on with
 Kansas daughters since Carol
 moved to AZ to find them as
 Obama, the FBI + Judge Murray
 Snow decided to hide them for
 life! These white collar
 criminals love draining the law
 for money and they've been doing
 this 30-40 yrs!

The FBI has hundreds of
 Portmouels of known daughters
 drunk on sidewalks etc when
 Phoenix or Las Vegas have
 hundreds of sidewalks so
 where to begin?

That if KNOX gets close,
 the Police who take bribes
 from Ivanka K, Donald Trump Sr,

Barack & Michelle Obama,
 Nancy Pelosi, Ted Cruz, AOC
 RASHED TLEIB, Elham Omar,
 Jared Kushner,
 Anthony and Sheila Fradon,
 Deb Dutton who hired Chief Duggen
 for Bludgeon known daughters,
 Catherine Campbell who hired 20 hit men,
 Erin McRaith whos dipping into
 known judgment fund,

Jinda & Walter Slawoski who are
 filing known suits
 and hiring hit men +3 &
 striking Knox all over the
 nation second by second
 with Gary Magistree; "since

 are being used as bait

line up behind her. There is
 always 1-5 at every single
 bus stop hired by Obama

Skin Tear (Skin Avulsion)

A skin tear (skin avulsion) is a tearing of the top layer of skin. This commonly happens after a fall or other injury. This is especially true if you have thinner skin, are an older adult, or have taken steroids for long periods of time.

Home care

These guidelines will help you care for your wound at home:

- Keep the wound clean and dry for the first 24 to 48 hours, or as your healthcare provider advises.
- If there is a dressing or bandage, change it when it gets wet or dirty. Otherwise, leave it on for the first 24 hours, then change it once a day or as often as the healthcare provider says.
- If stitches or staples were used, check the wound every day.
- After taking off the dressing, wash the area gently with soap and water. Clean as close to the stitches as you can. Don't wash or rub the stitches directly.
- After 3 days you can keep the bandages off the wound, unless told otherwise, or there is continued drainage. Allow the wound to be open to the air.
- Keep a thin layer of antibiotic ointment on the cut. This will keep the wound clean, make it easier to remove the stitches, and reduce scarring.
- If your wound is oozing, you can put a nonstick dressing over it. Then, reapply the bandage or dressing as you were told.
- You can shower as usual after the first 24 hours, but don't soak the area in water (no baths or swimming) until the stitches or staples are taken out.
- If surgical tape was used, keep the area clean and dry. If it becomes wet, blot it dry with a clean towel.
- Be very careful when removing tape or other dressings, or you may cause more skin tears. Soaking the dressing in the shower for a few minutes will often loosen it and make it easier to remove.
- If skin glue was used, don't put any creams, lotions, or antibiotic ointments on it. These can dissolve the glue. Usually the glue will flake off in about 5 to 10 days by itself. Try to resist picking it off before that so the wound doesn't open up. When it gets wet, pat it dry.

Here is some information about medicine:

- You may use over-the-counter medicine such as acetaminophen, naproxen, or ibuprofen to control pain, unless another pain medicine was given. If you have chronic liver or kidney disease or ever had a stomach ulcer or gastrointestinal bleeding, talk with your healthcare provider before using these medicines.
- If you were given antibiotics, take them until they are all used up. It is important to finish the antibiotics even if the wound looks better. This will ensure that the infection has cleared.

Follow-up care

Follow up with your healthcare provider, or as advised.

- Watch for any signs of infection, such as increasing redness, swelling, or pus coming out of the wound. If this happens, don't wait for your scheduled visit. Instead, see your healthcare provider right away.

- Stitches or staples are usually taken out within 5 to 14 days. This varies depending on what part of your body they are on, and the type of wound. Your provider will tell you how long stitches or staples should be left in.
- If surgical tape was used, it's usually left on for 7 to 10 days. You can remove surgical tape after that unless you were told otherwise. If you try to remove it, and it's too hard, soaking can help. Surgical tape strips will eventually fall off on their own. If the edges of the cut pull apart, stop removing the tape or strips and follow up with your provider.
- As mentioned above, skin glue will flake off by itself in 5 to 10 days, so you don't need to pull it off.

If any X-rays were done, you will be notified of any changes that may affect your care.

When to seek medical advice

Call your healthcare provider right away if any of these occur:

- Increasing pain in the wound
- Redness, swelling, or pus coming from the wound
- Fever of 100.4°F (38°C) or higher, or as directed by your healthcare provider
- Sutures or staples come apart or fall out before your next appointment and the wound edges look as if they will re-open
- Surgical tape closures fall off before 7 days, and the wound edges look as if they will re-open
- Bleeding not controlled by direct pressure

Procedural Sedation

Procedural Sedation

In certain circumstances the procedure that you underwent while in the ED will occasionally require sedation. If you received any sedation during your ED stay, please follow the PROCEDURAL SEDATION/CONSCIOUS SEDATION instructions below:

You have been given medicine by vein to sedate you during your procedure today. This may have included both a pain medicine and sleeping medicine. Most of the effects have worn off; however, you may continue to have some drowsiness for the next 6-8 hours.

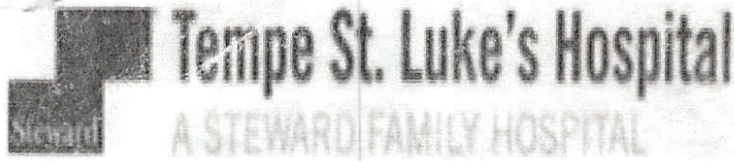

Follow These Instructions Carefully:

1. For the next 8 hours, you should be watched by a responsible adult. This person should make sure your condition is not getting worse.
2. Do not take any oral medicine for pain or sleep during the next 4 hours since this might react with the medicines you were given in the hospital, causing a much stronger response than usual.

Finding a Judge who follows

 Finding an Attorney who follows
 the laws in an Attorney-Client

Our country has gone haywire for
 green pieces of paper that
 nobody can take with them so
 they can buy fancy cars and
 suits etc strutting around:
 "Look at me how GREAT I Am!"

Karl will never look at a
 Politician or Attorney or Judge

 one would have to be a

 the time - The Police mimic ~~the~~

The Police promote criminal
